Hotel Reservation Deadline Near

Remember, we have a new location for our 2006 conference and show, scheduled for Friday, January 27 through Sunday, January 29. We will be headquartering at the Best Western Ramkota Hotel, located just off I-90, exit 59 in Rapid City. If you would like to see the new hotel and check out their services, you'll find them on the web at: www.rapidcity.ramkota.com.

When you are making hotel reservations, please ask for the room block for Dakota Territory Buffalo Association. They have put together a special price of \$79 per night for our group and a block of rooms has been set aside. The hotel phone number is (605) 343-8550. Call today and make your reservations now. Deadline is January 6, 2006. After that date, the Ramkota will continue to honor our room price for DTBA guests, but only as rooms are available. They do fill up on the weekends of the stock show, so call before the deadline.

Come And Celebrate With Us!

The 2006 Dakota Territory Buffalo Association Winter Conference and Black Hills Buffalo Classic Show and Sale will begin on Friday, January 27 and end with the live animal auction on Sunday, January 29. The conference will take place at the Best Western Ramkota Hotel and Convention Center located just off I-90 at the north edge of Rapid City, South Dakota.

The event takes on added meaning this year, as the DTBA celebrates its tenth anniversary. There will be many special activities and much looking back at the past decade. The weekend's activities begin on Friday afternoon with the Ladies Spa Day, as well as various meetings. Friday evening, everyone is invited to attend the social at Prairie Edge Trading Co. and Galleries, also in downtown Rapid City. This social offers attendees the opportunity to not only sample great food and visit with other producers, but to do some shopping as well. The Prairie Edge store is open for shopping during the social and the atmosphere of the entire evening has made this a very popular event.

On Saturday, the conference gets underway with a general membership meeting. The late morning will be devoted to uplifting the attendees with motivational speaker Bob Ash. Over the lunch hour, South Dakota State Veterinarian, Dr. Sam Holland, will lead the group through updates on health and disease issues facing the buffalo industry, both in state and across the country.

The afternoon session will be devoted to holistic management as Dr. Dave Hunter approaches herd health from a different viewpoint. Dr. Hunter is the veterinarian overseeing the Ted Turner properties and his approach to veterinary medicine encompasses the entire ranch system. Following Dr. Hunter's presentation, the business meeting will wrap up with the election of new officers for the association.

While conference attendees are being educated and entertained, some serious competition will be taking place. The 2006 Black Hills Buffalo Classic Show and Sale is promising to be one of the best industry events of the year. When the judging is finished, the award winners will be announced during the Saturday evening banquet. Winners of the Reality Based Carcass Class will also be announced during the banquet.

The Saturday evening banquet will feature some new menu items this year and a special anniversary celebration. The show animal awards will be presented, followed by some fun activities, Bison Bingo and rounding out the evening with the Fun Auction.

On Sunday, the morning gets underway with judge's comments and animal viewing at the pens, located immediately north of the Rushmore Plaza Civic Center arena. The Black Hills Buffalo Classic Sale begins at 9 a.m. in the arena of the Rushmore Plaza Civic Center. We hope you will make plans to join us in Rapid City for the 2006 Winter Conference and Black Hills Buffalo Classic Show and Sale.

Remarks From The President: Jud Seaman

It's a new year and as I reflect back on the past year I consider myself blessed to be able to earn a living doing what I enjoy. I've just completed doing my mileage records for the past year and it always amazes me how many resources I invest in this great industry. I consider them investments and not expenses because I believe that we always get a return on our investments.

I encourage each and every one of you to make the investment in your association, by making your motel reservations, investing in the education you will receive during the winter conference, and investing in next years dues. Your board has worked hard at putting together a conference that will be both entertaining and educational. We have secured interesting

Time To Pay 2006 Membership Dues

If you haven't paid your DTBA dues for 2006, please include the \$50 membership fee with your conference registration fees. Check on the front mailing label of this newsletter. The year your dues have been paid through is highlighted on the mailing label. If it says "2005", you need to renew your dues at this time. If it is beyond that, your dues are current through the end of the year indicated. It's much easier to take care of this now than to wait until the conference or after.

In this issue, you will find a DTBA Winter Conference Registration form that has a spot indicated on it for 2006 DTBA dues. If you are including that money in with your conference registration, please check the appropriate box on the form so the money can be allotted to the correct area.

If you will not be attending the Winter Conference, please fill out the form and return it with your 2006 dues. I know everyone has filled out the form before, but address changes, email changes and other such information is difficult to update without those forms. Also, if you fill out the bottom half of the information sheet, your ranch information will be included on the DTBA website and is also included in the membership directory.

Some of you have already paid your dues for 2006. Thank you! If you have any new changes or updates to your information, please fill out and return the membership registration sheet. You may indicate that your dues are already paid. Thanks!

Conference Postcard Feedback

Thank you to everyone who took the time to fill out and send in the postcards that went out with the October newsletter. We asked you for your feedback about the Winter Conference. With 200 postcards sent out, we received 25 back for a 12.5 percent return. Better than we expected, but still not what we'd like to see. If you still have the postcard available, feel free to send them in. We always appreciate the feedback.

Many of you made excellent suggestions and all the information has been given to your board of directors for them to review and act upon. Thanks for your participation!

During the Winter Conference Banquet, there will be babysitting service available at the hotel. You will be responsible for paying the sitters for your own children. Sitters are high school juniors and are very responsible. Please contact the Karen at the office if you would like to use this service. We want to make sure and have enough sitters for the amount of kids. Thanks!

speakers, some excellent buffalo steaks and some of the best breeding stock offered for sale this year. Come prepared to participate and invest in your future. I want to thank Nancy Hepper, Jacki Limpert and Karen Conley for their efforts in putting your conference together.

Your association is in need of two capable and committed board members; have you considered using the talents and expertise that you possess and investing them with others in this industry? It requires that you are available for several conference calls a year and to attend the winter conference and other industry events. It's always educational as well as entertaining most of the time. An association only is as good as its members and the board that they elect to take care of their business.

I look forward to seeing the majority of you in Rapid City on January 27-29, 2006. May 2006 be a prosperous year for you and your families and associates.

New Board Members Needed

There will be two positions available for the Board of Directors and they will be for three year terms. The election will be held during the DTBA Winter Conference.

If you are interested in volunteering for this important role, please contact a current board member or the DTBA office.

Welcome New DTBA Members!

Meet Our 2006 Winter Conference Speakers

Dr. Sam Holland - SD State Veterinarian

Dr. Sam D. Holland, State Veterinarian, is a 1971 graduate of the University of Minnesota College of Veterinary Medicine and spent his entire practice life in South Dakota, limiting his practice to beef cattle and horses. In 1986 he was appointed Assistant State Veterinarian for the Board (known then as the Livestock Sanitary Board). In March of 1995, Dr. Holland was named State Veterinarian by the South Dakota Animal Industry Board. The seven member Animal Industry Board has 42 full time employees located throughout the state, including a staff of eight veterinarians.

The Board, under Dr. Holland's direction, has broad responsibilities over the multitude of animal industries in the state, including animal health, marketing and dealer regulation, state meat inspection, importation of animals, non-domestic animal regulation, inhumane treatment laws, and a laboratory for surveillance for disease in slaughtered animals.

As State Veterinarian, Dr. Holland is responsible for preventing, eradicating, and controlling as well as maintaining awareness of disease threats to the animal industry of South Dakota. Through participation in numerous national animal health groups and cooperative programs with various Federal agencies, Dr. Holland stays in touch with all segments of the livestock industry. Contact with such organizations as well as industry groups, public health groups, and other state agencies allows the Board to respond to the changing needs of the animal industry.

Dr. Holland serves as Executive Secretary for the South Dakota Veterinary Medical Examining Board. Dr. Holland is current Chair of the Brucellosis Committee of the United States Animal Health Association, and also serves on Governor Round's on numerous other state and national advisory boards and committees.

DTBA Tenth Anniversary Items

As we prepare to celebrate the first decade of the DTBA, we are looking for photos and memorabilia to use for display during our upcoming conference.

I know many of you out there have photos, sale catalogs and maybe even some early literature that was used to promote our association. If so, we'd love to share it with the rest of our members.

If you have anything you'd like to share, please send to the DTBA office and I'll use it for our celebration and then return the materials to you as soon as we are done. While I have a pretty good collection of stuff, I don't have a lot from the early years of the association. Any items would be greatly appreciated!

Thanks! Karen

In order to be of greater service to our membership, the DTBA Board of Directors has authorized a VOLUNTARY questionnaire designed to help our membership. Frequently, the DTBA receives requests on where to purchase buffalo or buffalo-related items. We are working on compiling a comprehensive list of our members who would like their goods and services made available, both in the industry and to those outside the industry. Your participation in this survey will help to publicize your buffalo-related businesses. We will use the information provided by you to compile a list that will be made available at trade shows, auctions, DTBA events and also in upcoming membership directories. The list will be used in the DTBA office to answer questions and direct inquires to the appropriate parties. Please check all that apply to your operation and if you have other bison-related items, please write them in.

Volunteers Needed For Animals

The Black Hills Buffalo Classic Show and Sale (BHBC) is a huge event for the DTBA. It takes many hours and many volunteers to put all the events together and we can't begin to thank enough, those who step forward and help out.

Once again, with our 2006 event looming around the corner, Show Chairman, Joe Painter and Sale Chairman, Steve Sutton, would like to have some volunteers step forward and assist with the buffalo. Since the dates are in place, they are looking for people willing to be on hand Friday, January 27 to help unload and pen animals, beginning at 10 a.m. There is also a need for some extra hands to water and feed the animals as they are penned throughout the course of the day. This will take a number of people, and Steve and Joe encourage consignors to pitch in and help, especially getting water to the animals as soon as possible after they are unloaded.

Throughout the weekend, we will need a core crew that can help with daily feeding, watering and also moving animals while the judges are selecting animals. On Sunday, sale day, volunteers are needed to help sort and pen the animals throughout the day and until loadout is completed for the day. Steve is also asking for a couple of people who could be available the following Monday for approximately half a day to help finish with loading out the sale animals.

It makes for a long weekend and it seems like the weather is too hot or too cold, but we all appreciate the volunteers who step forward to help care for the buffalo.

If you are interested in volunteering your time to help with this, please contact Karen at the DTBA office, 605-923-6383 or e-mail to: info@dakotabuffalo.com. You can also contact Joe Painter, our show chairman, at 605-375-3718. THANK YOU!!

Prairie Edge Will Host Reception

Once again, Prairie Edge Trading Company and Galleries will open their doors to members attending the Dakota Territory Buffalo Association Winter Conference. The store, along with Triple Seven Ranch and Western Buffalo Company, will be hosting the welcoming reception and social. The activities will be held at the Prairie Edge store located on the corner of Sixth and Main Streets in downtown Rapid City.

The reception will begin at 5 p.m. on Friday, January 27 and last until 7:00 p.m. Hors d'oeuvres and drinks will be served and the chance to visit with fellow buffalo enthusiasts while doing a little shopping will be the highlight of the evening. Please make plans to join us for a fun and entertaining evening sponsored by these gracious hosts.

Not A Member? No Problem!

If you are reading this newsletter but are not a current member of the Dakota Territory Buffalo Association, not to worry. If you would like to attend our conference and show/sale, you do not need to be a member to attend these events and your conference costs will be the same.

Our hope is that once you join in on our activities, you'll find our members to be helpful and friendly and the information you'll learn to be important.

We hope that you will join us for the conference and better yet, like what you see and become a member of the Dakota Territory Buffalo Association, The Producer's Association.

If you are interested in entering animals in our show and sale, you will need to join the association to do so. However, that's a simple fix and for only \$50 for the year, you will enjoy all the benefits of membership.

Please contact the DTBA office for more information on becoming a member or about our events.

Sponsorships Needed For 2006

With our 2006 events right around the corner, we are still in need of sponsorships. There are a few trophy sponsorships available at this time, as we added more trophies and some of our sponsors have switched classes and/or upgraded. We are also looking for cash sponsors for our Carcass Class, as the entry fees do not cover the entire amount of the awards.

Anyone interested in sponsoring other specific items, such as conference folders, signage for our sponsors, etc. is more than welcome to do so. Thank you to those of you who have so graciously stepped forward to sponsor and/or donate up to this point. Your efforts help us to provide a full slate of activities for a reasonable price for our conference participants.

For more information on sponsorships, contact Karen at (605) 923-6383 or email to: info@dakotabuffalo.com.

Fun Auction To Benefit DTBA

Don't forget to bring your Fun Auction items with you to the DTBA Winter Conference. The Fun Auction is slated to begin after the entertainment on Saturday, January 28. Be creative and dare to be different!

The Fun Auction has traditionally been one of the largest fund-raising events for this association and we are encouraging members to keep that in mind, not only when you bring items, but also as you participate in the auction. Through the generosity of our members, we are able to keep membership costs to a minimum and still accomplish many goals.

Last year we had a phenomenal Fun Auction, raising over \$13,000 for YOUR association. Can we top that as we celebrate our tenth anniversary this year? You bet we can!
